Terms of Agreement

Revised 1/31/2024

LRCD offers the above equipment for land conservation and improvement practices.

The rental fee goes towards maintenance and replacement of the equipment to ensure availability of the equipment to the next user.

At the discretion of LRCD Staff, a **\$150.00 damage and cleaning deposit** may be required prior to release of the equipment to the renter. This can be in the form of a check that LRCD will hold until the renter returns the equipment and it is inspected for damage. Normal wear of the equipment is not considered damage. The renter is responsible for maintenance and cleaning of the equipment. Failure to follow these requirements may result in equipment damage and forfeiture of deposit.

By signing below, renter agrees that LRCD will not be held liable for any injuries or accidents that occur during the operation or transportation of the rented equipment. Renter also agrees to return the equipment in a clean and good working condition or forfeit deposit and/or additional charges for damaged equipment may be assessed.

I have read and agree to comply with the terms and limitations specified in this agreement and the attached information sheet.
